REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Elloree Elementary School serves students of child development age through 8th grade. Eighty-seven percent (87%) of our students receive free or reduced meals. The 2007-2008 goals that were implemented are those reflected in our most recent School Improvement Plan or Innovation Plan. During the 2007-2008 school year, teachers participated in rigorous and ongoing professional development, district-sponsored courses, workshops, conferences, in-services, and other state or local training opportunities.

New materials and resources were purchased to support increased student achievement on the subtests of PACT in ELA, math, science, and social studies in grades K-8. Resources included: four (4) Purple COWs (Curriculum on Wheels for Science and Social Studies), SuccessMaker in two (2) computer labs, the installation of promethean boards in some classrooms, a Star Student program for fourth and fifth grade students, the implementation of a monitored home-school reading connection in all grades, the integration of Brain POP, Waterford, and Great Source into the curriculum, and individual data collection sheets as stated in the school's innovation plan. Measures of Academic Progress (MAP), coupled with Compass Learning-Odyssey and Evans Newton Benchmarks, were used to study strengths and weaknesses of each child in grades 2-8.

An After-School Remediation Program, Saturday Academy, Computer Assisted Instruction, Flexible Grouping, and Summer School were activities conducted at EES to prepare students for PACT 2008. A math coach, instructional facilitator, and specialty area consultants were available to assist teachers with collaborative coaching and implementation of best practices and differentiated instruction.

Members of the Lake Marion Kiwanis Club partnered with EES to recognize students in grades CD-6 at PTA meetings and awards programs for displaying exemplary behavior, academic improvement, and the demonstration of random acts of kindness throughout the year. For the second year, our eighth graders participated in the Gear-Up Program sponsored by SC State University.
